COURSE DESCRIPTION:
This course will cover a broad sweep of the Old Testament covering its narrative unity, historical background, theological themes and introductions to key books and genres of torah, history, prophets, poetry and wisdom. The course is designed to lay a foundation for understanding the Old Testament, for use in ministry and for building on in future Old Testament subjects.

Closing Date: 22 March 2016

Please write to mollee.stm2.edu.my/engtee@stm2.edu.my if you have any queries.
